TERM 3 // WEEK 5 // 2022

New & Improved OSHC Room

Repurposed Library and Computer Room

With construction continuing and buildings set to go, we have repurposed the schools old computer room into a new play area, where we can house more constructive and imaginative play. Inside the OSHC room you will find a quiet corner filled with pillows and books to give children a place to wind down and relax before or after school, a brand new kitchen and dollhouse as well as many exciting toys.

Children have been using the space to create and play, building holiday houses for their barbies with different construction toys, creating shelters big enough for them to sit in, creating a café for other students to enjoy their "breakfast" and much more.

Booking Reminders

Please remember that places at our service are limited, so please make bookings on FullyBooked as early as possible. There is an option to add your child/ren to a wait list if any sessions are at capacity. If a space becomes available, you will receive an email notification to let you know that your child has been booked in.

Cancellations

Most of our Afternoon sessions and some of our Morning sessions are at capacity for the year. To ensure the families on any wait lists are able to book in, please cancel your bookings as soon as you know that your child does not need care. As many families leave their cancellations to the last minute, this makes it difficult for those on the wait list. Please keep this in mind when making bookings. Thank you.

Assistant Director

We are delighted to announce that one of our long time Educators, Bradley Schwartz, has stepped into a leadership position here at Cobbler Creek OSHC. Brad will be working as a second Assistant Director to help us to continue providing quality care to children.

Term 3 Evac Drills

Throughout each term, we are required to conduct evacuation and invacuation drills during both Before School Care & After School Care. These drills help both the children and our staff to understand the processes we undergo in case of an emergency. Drills will commence during week 7 this term. We would appreciate if you could allow the children to finish the drill before collecting your child and would greatly appreciate your patience while we conduct these required drills.

Vacation Care

Our Vacation Care Program for October 2022 is now complete and can be found on our website under the bookings tab. Bookings on FullyBooked are now open. As always, we recommend that you get your bookings in quick as there is limited availability.

Reminder that all Vacation Care bookings are final and cancellations will be charged unless a medical certificate is provided

**REMINDER!!
Hats are required from
September 1st onwards
for outside play.
No hat, No play!**

Afternoon Tea

Our Term 3 Menu is available to view on our website. We are continuing to monitor portion sizes throughout the term. Despite our larger portion sizes, some children who stay after 5:00pm are still hungry. Please consider packing an extra snack for your children, or alternatively, we can offer an apple at this time.

New Faces

We have recently received some funding to allow us to have some additional staff on the floor each session. A big thank you to our Assistant Director Joe who has worked hard in order for this to happen. We have had to hire some new staff to fill these new positions, so if you see any new faces around, please make them feel welcome. A reminder that new staff may ask to see your ID when picking up your children.

Christmas Closure

Cobbler Creek OSHC will be closed over the Christmas break. Our last day of operation will be Wednesday the 21st of December 2022 and we will reopen on Monday the 9th of January 2023.
